ST. GEORGE SCHOOL

What a great spring here at St. George! The fantastic weather has given students many opportunities for staying active at recess, as well as during school organized events. The weather was great for our school track meet and students showed excellent participation and sportsmanship. Our students also did a great job creating, planning and performing their mini plays for our school Spring Drama Festival. June will be exciting as our grade eights participate in their retreat, farewell, as well as their camping trip. Our grade sevens will be visiting the Moose Jaw Tunnels, as well as the Saskatchewan Science Centre in Regina, and our grade 3/4 and 5 classes will see history come alive at Batoche and Fort Carleton. We also look forward to our second annual St. George Treaty Celebrations. Our classes will participate in many First Nations and Métis cultural activities and part of our school grounds will be transformed into a teepee village.

We welcome any parents with Kindergarten age children who are considering Catholic education to come out and see what we are about at our Kindergarten Open House which will be taking place on June 25, 2010 from 1:00 p.m. to 3:00 pm.

We also want to thank all our parents and community members for their wonderful support and involvement over this year. You are such an important part of our successes. We also want to wish everyone a restful, blessed holiday. May God be with you as you enjoy your summer!

Gr. 6 Intensive/Gr. 7 & 8 Enhanced French Success.....in both official languages!

St. George offers Gr. 6 Intensive French and Gr. 7 & 8 Enhanced French Programs. Intensive/Enhanced French is a wonderful opportunity open to all students interested in learning the French language. During the first 5 months of the Gr. 6 year, the students are exposed to the language at a higher intensity than what most Core French programs offer. Students in this program get a strong head start in acquiring a second official language. In Gr. 7 & 8 students continue to develop French language speaking, writing and reading skills that begin in the Gr. 6 Intensive French Program. In a world where there is an increased global communication, travel, and employment opportunity, this could be the springboard to enhance future possibilities.

Students enjoy a short break during the St. George Track and Field Day.

For more information contact Mr. Kent Gauthier, (principal) 659-7320 or Ron Sirois, Coordinator of French Language Education at 659-7074.

Have a safe, fun-filled summer! See you in the fall!

Grade 3/4 students show their creativity in a papermaking class.

Putting Faith in Education

Kindergarten registration continues...

Share the excitement of learning in a unique Kindergarten experience at St. George School! Kindergarten is a special place where children are encouraged to be the best they can be in a welcoming and faith-filled environment.

We are rooted in faith, growing in knowledge, and reaching out...to transform the world.

Children must be five years of age by January 31, 2011 to start Kindergarten in the 2010-2011 school year.

For more information, or to arrange a visit please call Mr. Kent Gauthier (principal) or Ms. Rachele Akerman (vice principal) at 659-7320.

Check out our Web site at www.scs.sk.ca

Our Kindergarten Open House will be on June 25 1:00-3:00pm in the school.

We need your feedback...!

Lawson Heights Community Association Survey

Your community association would like to be working towards the goals, programs, and community projects that you feel are important. Your input, ideas and assistance are essential to accomplishing this task. We ask that you take a few minutes of your time to complete this brief survey which will be used in the future plans of the Lawson Heights Community Association.

Park Enhancement:

In past years the Lawson Heights Community Association has contributed to park improvements in Rochdale Park such as park lighting and playground equipment. The Lawson Heights Community Association is also responsible for maintenance of the two outdoor skating rinks.

Q: Would you like to see any additional park improvements? If so, what other improvements would you like to see?

Programming:

This past year, the Lawson Heights Community Association offered the following programs:

- PRESCHOOL - kindersoccer • YOUTH - soccer, softball, basketball, flag football, volleyball • ADULTS - yoga, pilates, volleyball

Q: Do you have any suggestions for additional programs?

Social Activities:

The Lawson Heights Community Association organizes a Family Fun Day in the Park in June of each year and either a Winter Fun Fest or New Year's Eve Family Night.

Q: Are there other activities that would be of interest to you and/or your family? Please provide any suggestions.

Q: Are you interested in becoming an active member of your Community Association?

LAWSON HEIGHTS SCHOOL

Just Read is continues to be an important program for us. We encourage our students to continue to read during the summer to keep their skills sharp and their opportunities for learning open! We are grateful for the help of all of our parents for encouraging our students to keep reading and know that this is an important factor in student learning and success! Let's give a Standing Ovation to all students and parents for supporting Just Read!

Each year brings new activities, opportunities and goals. Watch our school newsletter in the fall for the Welcome Week events! Have a safe and happy summer! See you next fall!

Full Day Kindergarten Registration A great start to a great education!

Lawson Heights School offers a full day every day Kindergarten class with early learning enhanced by literacy instruction throughout the day! Your child may also attend for half days.
