Skate with the Blades a Huge Success!

On behalf of the Lawson Heights Community Association, we would like to thank everyone who came out and made our Family Skate with the Saskatoon Blades event on January 19th a huge success! We had over 300 people enjoying the skating, hockey, music, celebrities and of course, hot dogs!

Thank you to our many volunteers – we couldn’t have done it without you. A special thank you goes to the Saskatoon Blades and our sponsors Tim Hortons and Canadian Tire.

BASKETBALL

Saskatoon Minor Basketball Spring League For 2014

There will be a red banner under our SMBA logo that says Registration now open. Please click on that banner and you will be directed to the online registration. Last day to register is March 7, 2014.

http://www.smba.ca/site

Our Spring League Season will begin Mar. 31 & end on May 20th. There will be two practices the first week and one practice and one game a week for eight weeks. (There will be one practice following the Victoria week holiday)

There will be a coaching clinic on Sun., March 30 that will be mandatory for all coaches that do not have a course from the SMBA or NCPP certification. Team coaches can pick up jerseys after the coach’s meeting/clinic on March 30 from 1pm-5pm.

The cost for Spring League is:

$100 (this cost includes a SMBA Spring League reversible jersey. If you do not have the jersey from a previous Spring League season please order)

$80 (this is the cost if you have a SMBA Spring League reversible jersey from a previous year)

A $25 late fee will be incurred after Feb. 28th, 2014. If you have registered before the deadline but paid after the late fee deadline you will incur the late fee.

If you have played SMBA Spring League in past years you should already have a SMBA jersey, if you have never played in our Spring League program before you will be required to order one when you register. There are not the same as the jerseys you use for the Fall league. Those jerseys must be returned to them when the Fall league has ended.

No player will be guaranteed a spot after March 20th. There will be two practices the first week and one practice and one game a week for eight weeks. (There will be one practice following the Victoria week holiday)

No player will be guaranteed a spot after March 20th. There will be two practices the first week and one practice and one game a week for eight weeks. (There will be one practice following the Victoria week holiday)

Staff and students at St. George School continue to celebrate our faith and learning through numerous activities and events held in our school. The month of December was busy as staff and students participated in a variety of events including a Family Fun Night, choir and band performances as well as advent liturgies. We are very proud of our students for the many service projects that they took part in, including the delivery of food hampers to families to enjoy over the Christmas season, a party for the Elderwood Lodge residents hosted by our grade 8’s and the choir who performed for residents of St. Angela Merici Residence and Primrose Chateau. As well, our students raised money for the Philippine emergency relief efforts through donations and proceeds from candy gram sales organized by our SRC and our Family Fun Night.

Track and basketball season are well underway. Our students recently participated in a school wide retreat reflecting on our Spiritual development. Weather permitting, our students will be taking part in various outdoor activities including a ski trip to Wapiti Valley Ski Resort and skating at the Clarence Downey Skating Oval. We look forward to the SRC planning an outdoor Winter Olympics Day to celebrate our Canadian athletes.

We continue to focus on learning through our reading and math goals with a focus on inquiry learning. Information about our Intensive French Program (grade 6) and Post Intensive French (grades 7 & 8) will be shared at an information evening being held Monday, March 10th, 2014.

We continue to welcome Kindergarten registrations for 2014-15.

On behalf of St. George Staff, I would like to thank the students, parents and staff for their continued support and look forward to working with you in 2014.

Lisa Domosla, Principal, St. George School

Gr. 6 Intensive French/Gr. 7 & 8 Post Intensive French

Success………in both official languages!

St. George offers Gr. 6 Intensive French and Gr. 7 & 8 Post Intensive French programs. During the first 5 months of the Gr. 6 year, students are exposed to French at a higher intensity than what most Core French programs offer. Students in this program receive a strong head start in acquiring a second Official Language. In Gr. 7 & 8 students continue to develop the French language skills that began in Gr. 6. Please join us for a Parent Information Meeting, Tuesday, March 11th, 2014 at 7:00 p.m., in the school library. For more information contact Lisa Domosla, (principal) 659-7320

Kindergarten Registration

2014-2015

Kindergarten registration continues…….!

Share the excitement of learning in a unique Kindergarten experience at St. George School! Kindergarten is a special place where children are encouraged to be the best they can be in a welcoming and faith filled environment. St. George School offers alternating full day Kindergarten.

Children must be five years of age by Jan. 31, 2015 to start Kindergarten in the 2014-2015 school year.

Our Kindergarten information night will take place on Monday, January 27th, 2014 at 6:30 pm in the school library. If you are interested in finding out more about our school and what it has to offer please join us on our information night or arrange your own visit by calling Lisa Domosla, (principal) 659-7320.

Happy New Year!

Within Saskatoon Public Schools our main goal is the academic development of each student. Our staff work hard to ensure that each child is given the necessary tools for lifelong learning in literacy, numeracy and critical and creative thinking. We involve our students in a wide variety of educational experiences, both curricular and extra-curricular. Literacy For Life continues to be a priority in our school, working with students to move towards and beyond grade level competency in literacy and all learning.

Lawson Heights School has a very diverse student population. We are fortunate to have an English as an Additional Language (EAL) classroom. We are pleased to welcome many new Canadians to the Lawson Heights area. We will continue to look for opportunities to showcase Canada as well as learn about the new cultures in our neighborhood.

We currently offer two, full day, alternating day Kindergarten programs. In the fall of 2014, our program will remain on alternating days. If enrollment stays consistent, we will continue to offer two classes. Therefore, if you have children who will be five by the end of January 2015, we encourage you to visit us at Lawson Heights School and register them for our full kindergarten classes.

We are very thankful for our community partnerships. As we work together in education, it is important for our students to know that they are cared for by the staff members in our building as well as the greater community.

Register Now for the 2014 Green Cart Program!

You asked, we listened! The City of Saskatoon’s Green Cart program for leaves & grass composting has been expanded for 2014. All interested households can download a mail-in subscription form from SaskatoonRecycles.ca & mail it along with a cheque made payable to City of Saskatoon, or pay at City Hall. Registration & payment will also be made simpler by going online beginning March 1 on the SaskatoonRecycles.ca website.

The cost of the Green Cart program is $55/household for the season (May to November), which includes bi-weekly pickup of your unbagged leaves, grass clippings & non-woody yard vegetation. Simply place your Green Cart at the curb by 7:00am on your collection day & return it to your yard after pick-up.

Although there is no deadline to register, please subscribe by April 1 to avoid missing the first collection.

The Green Cart program is a convenient and cost-effective way to dispose of your yard waste without sending it to the landfill. When organic waste, such as leaves and grass, ends up in the landfill, it produces methane gas when it decomposes, a greenhouse gas much more potent than carbon dioxide. Instead, the yard waste collected through the Green Cart program is brought to the compost depot at the junction of Highway 7 and 119th Street to be converted into valuable compost that is used in City of Saskatoon parks, community and school gardens, and sold to residents.

Questions? Please contact us by phone (306-975-2487), e-mail (lawnessndgrass@saskatoon.ca), or by visiting www.saskatoonrecycles.ca

Convenient curbside pick-up of yard waste is available for $55 for the season
