The end of the school year always brings many celebrations. Some of our June activities to note are: the Athletic Awards Banquet (June 2), Colour Day (June 3), the final School Community Council meeting of the year (June 9), a Dance Recital (June 12) and Grade 12 Graduation (June 25). These events are in addition to track meets, golf tournaments and boys’ soccer games which finish our athletic seasons for the year along with the spring canoe trip for students.

The school division will host a Summer School Program at our school from July 2 – 29 and this will bring students from around the city to our school throughout the day and evening. We have been pleased to host community association classes for youth and adults at Marion Graham this past year and look forward to continue sharing of our space again in the fall.

Regular academic classes for the 2014 – 2015 school year will begin on Tuesday, September 2nd. If you have new neighbors with high school age students, please have them call Marion Graham to make an appointment to get enrolled and choose fall classes. Our counsellors will return to school early to ensure that new families are ready for the school year to begin. The number to call is (306) 683-7750.

We anticipate an increase in our school enrollment for next year and are excited to welcome neighbourhood Grade 8’s into Grade 9 for the fall. We have lots of engaging programs for students and look forward to the many activities that will take place next year. Happy summer on behalf of the Falcons!

Thank you to Rob Forrester & Kim Hoffart for coaching flag football this spring.

These past few months have been busy at St. George School! Our students have been involved in many service projects for our local community as well as the global community. Prior to the Easter break, our students performed at dinner theaters and participated in a basketball shoot to raise money for the Free the Children Building Schools Campaign as well as the Chalice Missions.

Our families also provided a good donation of food to the Saskatoon Food Bank and Friendship Inn. We were fortunate to have good weather for our school track meet held at Griffith’s Stadium in May. Our students demonstrated excellent sportsmanship and participated well in their events. As well, our students did a wonderful job preparing for and participating in our annual Divine Liturgy held at St. George’s Cathedral. Our year end mass will take place on June 17th, 2014, 9:30 a.m. at St. Anne’s Parish.

We would like to take this opportunity to wish our grade 8 students well as they complete their studies at St. George School and head to high school in the fall. In addition, we would like to thank all families for your continued support of our educational programming and your involvement in our school community. We wish everyone a blessed end of the school year and a restful summer holiday.

St. George School
