The Lawson Heights Community Association publishes a 4 page newsletter 2-3 times a year. Our newsletter is primarily used to communicate the details of community association events and programs, but, when space permits, we will accept outside advertising. Non-profit organizations providing a community service are not charged. Other advertising is priced at $50 for a 2 x 4 inch ad and $100 for a 5 x 7 inch ad.

For more information contact Tanya Spelay at (306) 343-7338 or tanyaspelay@shaw.ca.

Next Issue to be delivered in September. Deadline for submission is Aug 14.

Spring is finally here. This time of year things start to get very busy. Students are active in our community through many learning opportunities, making curricula links through hands-on learning experiences.

We are currently accepting Kindergarten registrations for the fall. Any child who will be 5 years old by January 31, 2016 is eligible to register for our September Kindergarten class. Please see Mrs. Drever at our front office. She will be glad to help.

Our Conversation Circles have concluded for this school year. We are thankful for the relationships we were able to build with parents in our community. We are also thankful for the support of the Saskatoon Open Door Society, for facilitating conversations. We hope to start again in the fall.

Lastly, our School Community Council (SCC) and our Home and School Committee are looking for new members to support learning at Lawson Heights School for the fall. Their AGM is on May 26. Community members are welcome to attend.

School registration day is on Tuesday, September 1, 2015. This will be for all students, Kindergarten to Grade 8.

Have a great summer, everyone!

Janna Piro
Principal
Lawson Heights School.

Starting soon, we will have construction begin on the roof of our building. Transcona Roofing will be working now until the end of June and possibly into July to replace the roof of Lawson Heights School.

Construction will begin each day before school starts and will continue throughout the day into the evening and on weekends. It is important that residents stay away from fenced areas and other equipment/supplies that the contractors will have on site.

If you have any questions, please contact our school’s main office at 306-683-7340.

Sincerely,
Janna Piro

At St. George School we continue to grow in faith and learning. Recently our students, parents and staff celebrated our Patron Saint Day by participating in a Divine Liturgy held at St. Georges Cathedral on April 23rd. On May 28th students will be participating in a student wide retreat held at our school. They will engage in activities throughout the day that deepen their spiritual development. Our year-end mass, with father Lawrence Demong, will take place on June 16th at 9:30 am at St. Anne’s Parish.

We continue to focus on learning through our reading and math goals with a focus on inquiry learning. Students are currently engaged in a school wide inquiry project on Change.

We would like to thank all of our parents and community members for their wonderful support and involvement during this school year. We are looking forward to our Family Carnival Fun Night taking place on May 29th. Thank-you to the St. George’s Catholic School Community Council for organizing this event for us.

As well, we would like to take this opportunity to wish our grade 8 students well as they complete their studies at St. George School and head to high school in the fall. We wish everyone a blessed end of the school year and a restful summer holiday.

Principal
St. George School

Gr. 6 Intensive French/Gr. 7 & 8 Post Intensive French
Success…….in both official languages!

St. George offers Gr. 6 Intensive French and Gr. 7 & 8 Post Intensive French programs. During the first 5 months of the Gr. 6 year, students are exposed to French at a higher intensity than what most Core French programs offer. Students in this program receive a strong head start in acquiring a second Official Language. In Gr. 7 & 8 students continue to develop the French language skills that began in Gr. 6.

For more info. contact Lisa Domoslai, (principal) 659-7320

Kindergarten Registration 2014-2015
Kindergarten registration continues…..
Share the excitement of learning in a unique Kindergarten experience at St. George School! Kindergarten is a special place where children are encouraged to be the best they can be in a welcoming and faith filled environment. St. George School offers alternating full day Kindergarten. Children must be five years of age by January 31, 2016 to start Kindergarten in the 2015-2016 school year.

If you are interested in finding out more about our school and what it has to offer please call the school and arrange a tour with Lisa Domoslai (principal) at 659-7320.
