The school year is racing along. Our students continue to be involved in creative learning in and outside of our school and community.

Our roofing project is almost complete. We also had some exterior painting done. The remainder will take place in the spring.

Our Kindergarten Open House is on Wednesday January 13 at 7:00 pm in our school and community. Our choir and band have been busy preparing for performances such as the TCU Carol Festival and are looking forward to entertaining the residents of Primrose Chateau and St. Angela Mercy. We will be hosting an Advent Family Fun Night for our school community on December 2nd.

Children must be five years of age by the end of January 2017, come and know, has a child that will be 5 years of age by the end of January 2017, come and see what our Kindergarten program has to offer. Later in May, children will be invited to our Sneak Peek, where they can experience a little of what Kindergarten is all about.

On behalf of the staff at Lawson Heights School, I would like to extend a heartfelt Merry Christmas to everyone. May 2016 bring you peace and joy.

Janna Piro, Principal

LAWSON HEIGHTS SCHOOL

December will be a busy month at St. George School with students participating in advent activities and service projects in the preparation for Christmas. Our choir and band have been busy preparing for performances such as the TCU Carol Festival and are looking forward to entertaining the residents of Primrose Chateau and St. Angela Mercy. We will be hosting an Advent Family Fun Night for our school community on December 2nd.

As well, our grade eight students will be hosting a Christmas Party for Elmwood Lodge residents. Students and staff at St. George School continue to focus on our school wide learning goals and faith development. I would like to thank the students, parents and staff for their continued support of our school community.
