WinterFest 2017
The school year is racing along. Our students continue to be involved in creative learning in and outside of our school and community. Staff and students have embraced a growth mindset and are focused on strengthening their math and literacy skills, seeing themselves as mathematicians and writers. Not only is this a school and division goal, but it is pushing our students towards the Ministry’s goals of proficiency.

Our Kindergarten Open House is on Tuesday January 17 at 7:00 pm in our school library. If you, or someone you know, has a child that will be 5 years of age by the end of January 2018, come and see what our Kindergarten program has to offer. Later in May, children will be invited to our Sneak Peek, where they can experience a little of what Kindergarten is all about.

We continue our partnership with the Saskatoon Open Door Society. Conversation Circles are being offered to community members that wish to practice and enhance their English speaking skills. This group meets every Monday morning at 9:00-10:30 am in our school’s staffroom. In this group folks not only meet new people and improve their conversational English skills, but it is also an opportunity for newcomers to Saskatoon/Canada to learn about the culture. It is on a drop-in basis and all are welcome.

On behalf of the staff at Lawson Heights School, I would like to extend a heartfelt Merry Christmas to everyone. May you find peace and joy in 2018.

Janna Piro
Principal
Lawson Heights School

**COST AS A BARRIER**

The Lawson Heights Community Association realizes that not everyone can pay to participate in sports and recreation programs. We have money to help children and families to participate. If your family wishes to participate, but don’t have the money to, please contact us at info@lawsonheights.ca. All requests are kept private.
Happy New Year to everyone! We have had a busy and fun-filled fall with many learning and faith activities for our school community, and we look forward to a faith and hope filled rest of the school year. One part of Greater Saskatoon Catholic Schools’ mission is to reach out and transform the world, so St. George School is taking part in a school wide social justice service project called “It is in Giving that We Receive”. The project’s name comes from the words of the Peace Prayer, which is also known as the Prayer of St. Francis. Our call is to live out the Gospel by serving others. It is in giving that we feel a sense of connection to those in our community and our world and thus our lives are blessed and enriched.

If you would like to learn more about our school and the learning program, please call us at (306)659-7320 to arrange a tour.

Kindergarten Registration 2017-2018

January is Kindergarten Registration month!

Share the excitement of learning in a faith-filled Kindergarten experience at St. George School. Our Kindergarten program offers a rich early learning curriculum and a motivating learning environment where children are encouraged to be the best they can be in a faith-filled atmosphere. Your child will grow in HEART, MIND, BODY and SPIRIT.

St. George School offers alternating full day Kindergarten. Children must be five years of age by January 31, 2019 to start Kindergarten in September of 2018.

If you are interested in finding out more about our school, please join us at our Kindergarten Information Night and Tour on Tuesday, January 30 at 6:30 PM or arrange a visit by calling (306)659-7320. Check out our website at https://www.gscs.ca/studentsandfamilies/schools/GEO

NEWSLETTER INFORMATION:
The Lawson Heights Community Association publishes a 4 page newsletter 2-3 times a year. Our newsletter is primarily used to communicate the details community association events and programs, but, when space permits, we will accept outside advertising. Non-profit organizations providing a community service are not charged. Other advertising is priced at $50 for a small ad (2x3) and $100 for a large ad (4x6). For more information contact Tanya Spelay at (306) 343-7338 or tanyaspelay@shaw.ca.

ROCHDALE PARK IMPROVEMENTS
There were five large poplar trees removed from Rochdale Park in 2017 due to decline and poplar borer damage. The stumps from these trees will be removed in 2018. Rochdale Park will be considered for tree replacements in the Park Reforestation Program in 2019. Urban Forestry selects parks for this plant program based on the park type, the number of trees/hectare in the park, appropriate planting sites and access for watering to establish new trees.

As well, other improvements that occurred in the summer were:
- irrigation upgrade
- new swale for enhanced drainage
- ball fields topped up with torpedo sand
- Asphalt path repair near play area
